THE PARK NURSERIES
H O L M & O L S O N I N C.
S A I N T P A U L M I N N.

TO OUR FRIENDS AND PATRONS—

With this spring season there comes again to you the year's opportunity to make the surroundings of your home more enjoyable through the beauty of growing trees, shrubs and flowers. Plantings that you make now will bring pleasure and comfort to you not only this summer but will extend through the years to come.

We want to help you get the very utmost of satisfaction from the grounds about your home. You will find at our PARK NURSERIES an unusually choice selection of hardy first-quality plants and the best in gardening merchandise. Horticultural advice and assistance in actual planting is always available to you to any extent you may desire.

We solicit your patronage and orders knowing that we can assure you of entire satisfaction. Truly, you can buy here with confidence.

HOLM & OLSON, INC.

SUGGESTIONS FOR ORDERING

WHEN TO ORDER. Please order early. When you send your order early we can serve you better by making first selections and reserving the plants. Your order will be delivered at the right time for planting.

HOW TO ORDER. Send in your order by whatever means is most convenient. It will receive prompt and careful attention.

PLEASE GIVE SHIPPING INSTRUCTIONS. Tell us how you want shipments made—whether by freight, parcel post (suitable only for small packages), or express and indicate any special routing. We recommend express excepting on heavy, bulky shipments. When not instructed, we use our best judgment.

NO PACKING CHARGE. Catalog prices are for stock F. O. B. St. Paul with no charges for packing. Twin City deliveries are made free of charge.

BUSINESS TERMS. Cash with order is expected. If credit is to be arranged please furnish the usual business references. All accounts are due by the 10th of the month following date of purchase.

PLANTING INSTRUCTIONS. Careful directions for planting are always given so that you can secure the best results. You are further invited to consult us freely for dependable information about any of your gardening and landscape problems.

FOR YOUR PROTECTION WE OFFER A VERY LIBERAL GUARANTEE

First. You are assured that you will receive the best quality of live, healthy plants, properly packed to reach you safely. If any plant proves untrue to variety ordered it will be re-supplied without charge.

Second. We agree to resupply any plants that may fail to become established the first season after planting at one-half of the purchase price. Requests for any such replacements must reach us before October 1st of that season.

Our very liberal replacement agreement is possible only because we have full confidence in the vitality and sturdiness of our plants and know they will succeed with normal care and attention.

YOU ARE INVITED TO VISIT OUR DISPLAY GARDENS

The lily pool, cascade and rock garden are new additions to our interesting plant and flower exhibits at the PARK NURSERIES at 1200 St. Clair Street (just beyond Lexington and St. Clair) in St. Paul. Beginning with a gorgeous display of spring flowers there follow attractions that will delight you throughout all the season.

You are cordially welcome at our Display Gardens and Nursery. Come often and bring your friends.

"Home Landscapes"

(40th Anniversary Edition)

Dedicated to the Flower and Garden Lovers of the north-central states—

With our grateful appreciation of your confidence and generous patronage which alone has made possible our continuous business development.

Founded in 1895 we complete this season our 40th year of Horticultural and Floral Service.

THE PARK NURSERIES

HOLM & OLSON, INC.

We can help you
make your home
yard more useful
and more enjoy-
able.

You are invited to
consult with our
Landscape De-
signers.

Enjoy In Your Grounds THE BEAUTY and COMFORT of Modern Gardening

Your yard can be made so inviting as to truly become your "out-door living room"—a spot that all the family will seek for rest and recreation.

Ask us to tell you how you can develop your yard for your greater use and enjoyment.

**We Suggest for Your Satisfaction
and Pleasure These**

You, too,
can make your
yard your out-door living room.

SIX DELIGHTFUL MODERN GARDENING FEATURES

1. **HOUSE FOUNDATION PLANTINGS** of shrubs and evergreens, to soften the corners and angles of the building and make it a part of the natural landscape picture.
2. **PROTECTIVE SHRUB BOUNDARIES** to frame in the yard with attractive greenery and so create desired privacy and seclusion.
3. **COLORFUL FLOWER BORDERS** (old fashioned gardens) to provide cheerful color and abundance of flowers for cutting all season through.
4. **ROSE and FLOWER GARDENS**—a continual source of keen delight and pleasure.
5. **EVERGREENS**, ever-beautiful, to add the charm of their all-year-round green foliage.
6. **ROCK and WATER GARDENS**—a new interest and enjoyment that can be adapted to most any home yard.

Make Full Use of OUR HELPFUL LANDSCAPE ADVICE

You are invited to consult with our Landscape Designers. We will offer suggestions and supply planting information so that you will get the most in beauty and attractiveness from your grounds. Time is precious. Don't trust to luck for results.

A Practical Planting Plan is Available

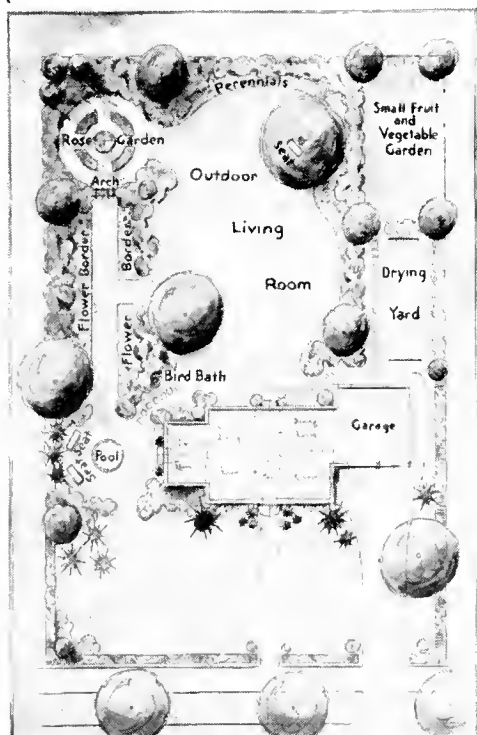

With a well-designed, definite plan for the arrangement of your plantings you are sure of successful results at the minimum of expense.

Special Plan-By-Mail Service

Our out-of-town customers can now take advantage of the advice of our gardening expert.

Send us a sketch of your property. We will outline ways for improving your grounds and help you make selections of the most desirable plant varieties.

YOUR INQUIRIES ARE INVITED

A landscape plan will show you just what and where to plant

SHRUBS for FLOWER and FOLIAGE

Sturdy Plants for Northern Gardens

A LARGE area of our nursery and the skill of experienced gardeners is devoted to developing our shrubs into sturdy, handsome plants that will quickly bring beauty to your home property.

There are so many types of shrubs—so many variations as to character of growth and flowering habit—that you are sure to find many attractive kinds to fill any need you may have. Ask us freely for advice and suggestions as to arranging the plants in the most pleasing way.

NOTE: The figures following the shrub name show the approximate height of growth.

FLOWERING ALMOND

Double Flowering Almond (*Amygdalus rosea*). 4 to 5 ft. A striking display of pink, rose-like flowers along the branches in early spring. One of the earliest shrubs to bloom.
2 to 3 ft. \$0.70 3 to 4 ft. \$0.90

BARBERRY

Japanese Barberry (*Berberis thunbergii*). 2½ ft. The most popular hardy dwarf shrub. Red berries, brilliant fall foliage color.
12 to 18 in. \$0.25 18 to 24 in. \$0.40
24 to 30 in. .50
Red-Leaved Barberry. 2½ ft. Rich, bronze-red leaves that hold their red color all summer. A bright contrast to other shrubs.
12 to 18 in. \$0.45 18 to 24 in. \$0.65
BRIDAL WREATH. See under Spiraea.

BUCKTHORN

Buckthorn (*Rhamnus cathartica*). 8 to 10 ft. Very dependable dense-growing shrub with lustrous leaves and black berries. (See page 11 for hedge prices.)
2 to 3 ft. \$0.40 3 to 4 ft. \$0.60
4 to 5 ft. .80
CARAGANA. See Siberian Pea Tree.

CORALBERRY

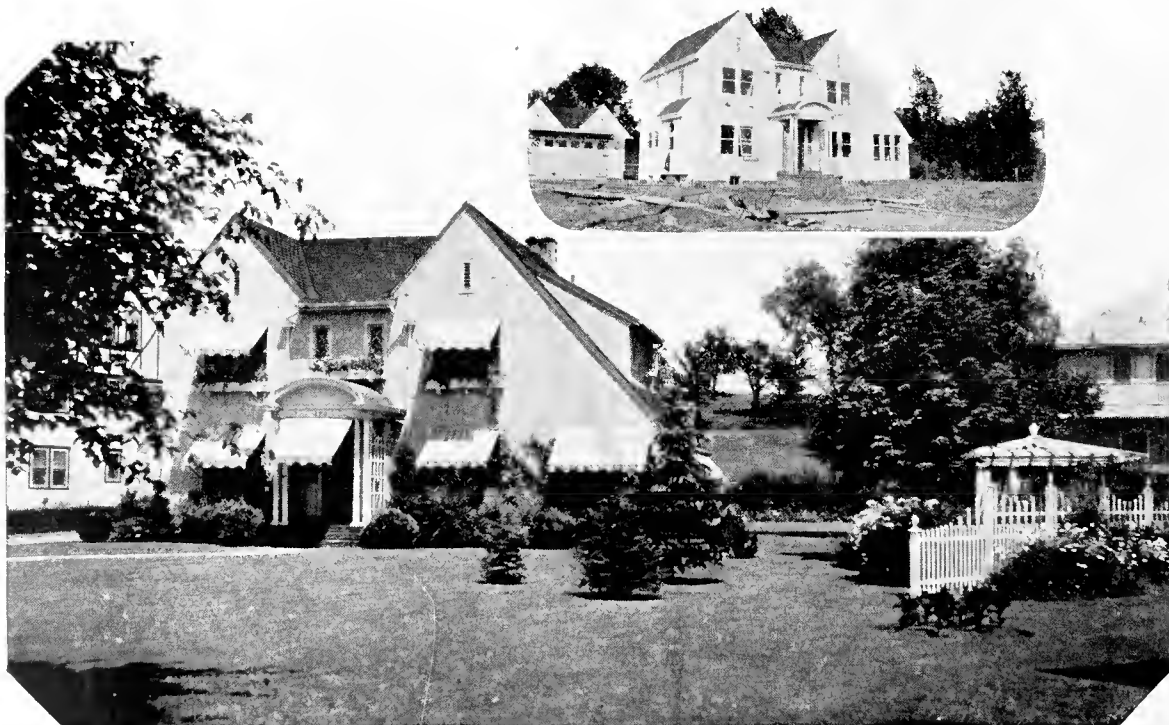

Coralberry (*Symphoricarpos vulgaris*). 3 to 4 ft. A graceful, native shrub that grows well in sun or shade. Red berries in late summer.
2 to 3 ft. \$0.45 3 to 4 ft. \$0.65

COTONEASTER

Cotoneaster acutifolia. **QUINCE BERRY**. 6 ft. A neat, clean shrub with dark, glossy green leaves. (For hedges see page 11.)
18 to 24 in. \$0.30 2 to 3 ft. \$0.45
3 to 4 ft. .65

CURRANTS—ORNAMENTAL

Mountain Currant (*Ribes alpinum*). 4 ft. Excellent, dense-growing, very hardy ornamental shrub. Stands shearing and will grow in shade. (For hedges see page 11.)
12 to 18 in. \$0.40 18 to 24 in. \$0.60
24 to 30 in. .80
Yellow-Flowering Currant (*Ribes aureum*). 6 ft. Large, yellow fragrant flowers in spring. Stands shade.
2 to 3 ft. \$0.50 3 to 4 ft. \$0.75

From "house" to "home"—the results just two years after planting.

VISIT OUR DISPLAY GARDENS, ROCKERY AND POOL AT 1200 ST. CLAIR ST.

DOGWOOD (Cornus)

Golden Dogwood (*Cornus siberica aurea*). 6 ft. Highly valued for its bright yellow branches in fall and winter. White flowers.

2 to 3 ft.-----\$0.50 3 to 4 ft.-----\$0.75

Red-Twiggled Dogwood (*Cornus siberica*). 6 ft. Bright coral red branches make this sturdy shrub attractive in all seasons.

2 to 3 ft.-----\$0.45 3 to 4 ft.-----\$0.65

Silver Dogwood (*Cornus elegantissima*). 6 ft. The green leaves are striped and margined with white. Red colored bark. An unusual plant making a bright spot of color in the shrub group.

18 to 24 in.-----\$0.50 2 to 3 ft.-----\$0.75
3 to 4 ft.-----1.00

ELDERBERRY

Black-Fruited Elder (*Sambucus canadensis*). 6 ft. The old-fashioned favorite with large clusters of fragrant flowers and edible black fruit.

2 to 3 ft.-----\$0.50 3 to 4 ft.-----\$0.75

Cut-Leaved Elder (*Sambucus nigra laciniata*). 6 ft. Lacy, fern-like leaves that make a pleasing contrast with other shrubs.

2 to 3 ft.-----\$0.50 3 to 4 ft.-----\$0.75

Golden Elder (*Sambucus aurea*). 7 ft. A handsome, wide-spreading shrub with bright yellow leaves all season.

2 to 3 ft.-----\$0.50 3 to 4 ft.-----\$0.75

Red-Berried Elder (*Sambucus racemosa*). 7 ft. Big clusters of bright red berries in July. A large native shrub.

2 to 3 ft.-----\$0.60 3 to 4 ft.-----\$0.85

EUONYMUS (Strawberry Bush)

Euonymus alatus. WINGED STRAWBERRY BUSH. 6 to 8 ft. The bark on its horizontally-growing branches has a curious winged development. Rose colored berries in fall.

18 to 24 in.-----\$0.50 2 to 3 ft.-----\$0.75

Euonymus americana. STRAWBERRY BUSH. 8 ft. Slender branches; neat foliage and pink colored fruits in the fall.

2 to 3 ft.-----\$0.60 3 to 4 ft.-----\$0.85
4 to 5 ft.-----1.00

FORSYTHIA, suspensa. GOLDEN BELL. 5 ft. Golden, bell-shaped flowers in spring.

2 to 3 ft.-----\$0.50

CRANBERRY. See *Viburnum*.

HONEYSUCKLE

Pink Honeysuckle (*Lonicera tatarica rosea*). 8 ft. The popular pink to rose flowering Honeysuckle bush. Bright red berries follow the blossoms. Very hardy, rapid-growing shrub.

2 to 3 ft.-----\$0.45 3 to 4 ft.-----\$0.65

Morrow's Honeysuckle (*Lonicera Morrowi*). 6 ft. Spreading growth and graceful curved branches. Cream-yellow flowers and red berries in July.

2 to 3 ft.-----\$0.50
3 to 4 ft.-----.75

White Honeysuckle (*L. tatarica alba*). 8 ft. Hardy bush honeysuckle with white flowers.

2 to 3 ft.-----\$0.45
3 to 4 ft.-----.65

JUNEBERRY

Juneberry (*Amelanchier canadensis*). 15 ft. Good native shrub with white flowers and black fruit that attracts birds.

2 to 3 ft.-----\$0.60 3 to 4 ft.-----\$0.75

The New Double-Flowering Mock Orange
SYRINGA (Philadelphus) VIRGINAL

HYDRANGEA

Hydrangea, Large Flowering (*H. paniculata grandiflora*). 4 ft. Magnificent, conical flowers that have a pink color in fall and are often cut for winter house decoration.

18 to 24 in.-----\$0.40 2 to 3 ft.-----\$0.55
3 to 4 ft.-----.75

Hydrangea Snowhill (*H. arborescens grandiflora*). 3½ ft. Snowball-like flowers from June to frost. A pleasing bush in every way.

18 to 24 in.-----\$0.40 2 to 3 ft.-----\$0.55
3 to 4 ft.-----.75

Tree Hydrangea. A single-stemmed, tree form of the large-flowering Hydrangea.

3 to 4 ft.-----\$1.25

MOCKORANGE (Syringa)

Double-Flowering (Virginal) Mockorange. 4 to 5 ft. Large, creamy white and fragrant double flowers. Full bloom in spring followed by occasional flowers all season.

2 to 3 ft.-----\$0.65 3 to 4 ft.-----\$0.85

Golden Mockorange (*Philadelphus aureus*). 3 ft. Bright golden-yellow leaves make this dwarf shrub very valuable to color shrub groups.

12 to 18 in.-----\$0.50
18 to 24 in.-----.65

Lemoine's Mockorange (*Philadelphus Lemoinei*). 5 ft. A hardy, erect, fine-leaved shrub with abundance of fragrant white flowers.

2 to 3 ft.-----\$0.50
3 to 4 ft.-----.75

Sweet Mockorange (*Philadelphus coronarius*). 7 ft. A popular, old-time favorite. Big pure-white and delightfully fragrant flowers in June.

2 to 3 ft.-----\$0.50
3 to 4 ft.-----.75

The Snowhill Hydrangea

FLOWERING SHRUBS—Continued

NEW FRENCH LILACS

FRENCH HYBRID LILACS are modern improvements of the old-fashioned lilac. The flowers are gorgeous in coloring and much larger in size.

The varieties that are listed are careful selections of the better free-blooming kinds.

Alphonse Laval. Double. Blue violet.

Belle de Nancy. Double. Satiny-pink effect.

Chas. Joly. Double. Reddish purple.

Chas. X. Single. Large reddish purple.

Ludwig Spaeth. Single. Dark purplish red.

Marie Legraye. Excellent single white.

Michael Buchner. Double. Clear lilac.

Madame Lemoine. Double. Pure white.

President Grevy. Double. Light blue.

Prices of new French Lilacs:

2 to 3 ft.-----\$0.75 3 to 4 ft.-----\$0.90 4 to 5 ft.—heavy plants----\$1.50

Large full-grown specimens, \$2.50 to \$5.00

Late-Flowering Lilac (*Villosa*). 10 ft. Unusually ornamental in rich dark foliage with pinkish-lilac flowers in June.

2 to 3 ft.-----\$0.50 3 to 4 ft.-----\$0.75

4 to 5 ft.-----1.00

Persian Lilac (*Syringa persica*). 7 ft. Small leaves and open, graceful growth. Light purple flowers in May.

2 to 3 ft.-----\$0.50 3 to 4 ft.-----\$0.70

4 to 5 ft.-----1.00

Red Persian (*Rouen* or *Rothomagensis*). 7 ft. Produces a profusion of reddish-purple flowers in May.

2 to 3 ft.-----\$0.50 3 to 4 ft.-----\$0.70

Purple Lilac (*Syringa vulgaris*). 10 ft. Old-fashioned, fragrant lilac. Offered also in white-flowering variety.

2 to 3 ft.-----\$0.45 3 to 4 ft.-----\$0.65

4 to 5 ft.-----1.00

FLOWERING LOCUST

Locust, Pink Flowering (*Robinia hispida*). 5 ft. Rose-colored flowers in clusters in June. Pear-like soft green foliage.

2 to 3 ft.-----\$0.75 3 to 4 ft.-----\$1.00

FLOWERING PLUMS

Double-Flowering Plum (*Prunus triloba*). 5 ft. Very conspicuous in early Spring when the branches carry clusters of large, double, pink rose-like flowers.

2 to 3 ft.-----\$0.60 3 to 4 ft.-----\$0.75

4 to 5 ft.-----1.25

Purple-Leaf Plum (*Newport*). 10 ft. Dark, purple colored leaves all summer. Makes a striking color contrast.

2 to 3 ft.-----\$0.60 3 to 4 ft.-----\$0.75

4 to 5 ft.-----1.25

Prunus Tomentosa. NANKING CHERRY. 6 ft. New hardy shrub, from China. Light-tinted flowers of spring are followed by globular red fruit.

3 to 4 ft.-----\$0.75 4 to 5 ft.-----\$1.00

BUSH ROSES (also see pages 20 and 21)

Rose, Red Leaved (*Rosa rubrifolia*). A hardy rose with red leaves all summer. Makes a beautiful contrast in the shrub groups. The blossoms are of a bright pink and are followed by red fruits.

Strong plants -----\$0.60 Extra size-----\$0.75

Rugosa Rose. A splendid shrub with the unusual attraction of large, pink flowers, handsome deep green foliage and bright fruit pods.

Strong plants -----\$0.60 Extra size -----\$0.75

RUSSIAN OLIVE

Russian Olive (*Elaeagnus angustifolia*). 12 ft. A hardy tall shrub with silvery leaves. Suited for background plantings.

2 to 3 ft.-----\$0.45 3 to 4 ft.-----\$0.65

SNOWBERRY

White Snowberry (*Symphoricarpos racemosus*). 4 ft. Slender, graceful shrub with large waxy white berries in September.

2 to 3 ft.-----\$0.50 3 to 4 ft.-----\$0.65

VISIT OUR DISPLAY GARDENS, ROCKERY AND POOL AT 1200 ST. CLAIR ST.

The Lilacs bring both fragrance and beauty to the garden

The border planting of flowering shrubs and perennials gives privacy and makes this yard inviting

Weigela Rosea. 5 ft. Well rounded bush that has a profusion of bright pink bell-shaped flowers in late June.

18 to 24 in.\$0.75 2 to 3 ft.\$0.85

Suitable plantings will make your yard a place to use and enjoy. We will help you plan.

PHONE—SAINT PAUL—CEDAR 6083

CHEERFUL EVERGREENS

For All Year Around Beauty

FOR groups on the lawn, as a background to the garden or in plantings by the doorway and around the house foundation the Evergreens will delight you in all seasons with their cheerful green color. Ask our designers to suggest pleasing and suitable ways for you to use some of these beautiful ornamental plants on your grounds.

At the Park Nurseries the Evergreens are given particular attention to develop their full beauty of symmetrical, shapely growth. Whether you select young plants or mature, stately specimens these choice trees will surely please you.

You will have splendid results with H. & O. Quality Evergreens for they are dug carefully with full, solid balls of earth about the roots. There is no loss of vitality when the trees are handled this way and they become reestablished promptly after moving.

Full planting directions are always given.

NOTE: The figures following the name show the approximate height of growth.

ARBORVITAE—*Thuya*

American Arborvitae (*Thuya occidentalis*). 20 ft. A native evergreen with soft, lacy, fan-shaped foliage. The tree is bushy at the bottom and tapers toward the top. Stands trimming well.

3 to 4 ft.-----	\$4.00	4 to 5 ft.-----	\$ 5.50
5 to 6 ft.-----	8.00	6 to 7 ft.-----	11.00
7 to 8 ft.-----			14.00
Larger, specimen trees	-----\$15.00 to 50.00		

Globe Arborvitae (*Thuya occidentalis globosa*).

4 ft. A dwarf, compact little evergreen that grows naturally into a ball-like form. Well suited for borders, foundation plantings, tubs and urns.

12 to 18 in. spread-----	\$2.50
18 to 24 in. spread-----	4.00

Pyramidal Arborvitae (*Thuya occidentalis pyramidalis*). 18 ft. An attractive, solid pyramid of soft green that retains its outline without shearing.

18 to 24 in.-----	\$2.00	2 to 2½ ft.-----	\$ 2.50
2½ to 3 ft.-----	3.25	3 to 4 ft.-----	5.00
4 to 5 ft.-----	8.00	5 to 6 ft.-----	12.00

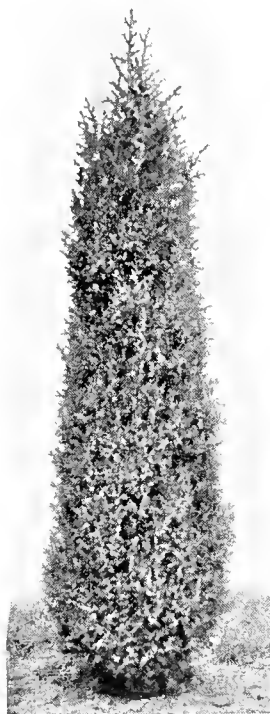

Siberian Arborvitae (*Thuya wareana siberica*). 8 ft. A symmetrical, compact evergreen of conical outline with broad base. Rich green leaves. Very useful in foundation plantings.

18 to 24 in.-----	\$2.50	2 to 2½ ft.-----	\$4.00
2½ to 3 ft.-----			6.00

The Arborvitae, although a native Minnesota tree, suffered last season because of the drought. For years they have been very popular and widely planted. With normal rainfall they are well adapted to our climatic conditions.

MODERNIZE WITH EVERGREENS

You can add fresh color and new interest to older plantings with a few choice Evergreens. Use them about the house foundation or as a group in the lawn.

Chinese Juniper

Blue Spruce and Mugho Pines add color to this border planting.

CEDARS—JUNIPERS

Chinese Juniper (*J. Chinensis*). Forms a compact, pyramidal evergreen with bright green foliage. Native of Asia. Stands cold winters and summer drouth. A splendid ornamental evergreen for planting on each side of the doorway, at the house corners or as background or accent points in the garden.

2 to 3 ft.-----	\$4.00	3 to 4 ft.-----	\$ 5.25
4 to 5 ft.-----	7.25	5 to 6 ft.-----	10.50

Pfitzer's Juniper (*Juniperus pfitzeriana*). 8 ft. A graceful, bushy evergreen suited to foreground plantings and particularly adapted to house foundation Evergreen groups. Foliage is an attractive greenish-blue. The branches are spreading and gracefully drooping. Stands the city's dust and soot well.

18 to 24 in.-----	\$3.50	24 to 30 in.-----	\$4.50
30 to 36 in.-----	5.75	3 to 4 ft.-----	7.50
Large specimen plants	-----\$7.00 to 15.00		

Prostrate Juniper (*Juniperus canadensis depressa*). A dwarf, much-branched evergreen shrub that grows closely to the ground. Excellent in the rock garden and for planting in the foreground of larger Evergreens.

12 to 18 in. spread-----	\$2.75
18 to 24 in. spread-----	3.75
24 to 30 in. spread-----	5.00

Red Cedar (*Juniperus virginiana*). 30 ft. Useful wherever a pyramid of rich green is wanted. Probably the most useful of all evergreens because of its beauty, hardiness and adaptability. Can be kept trimmed and shaped to most any outline. Grows naturally to a tall pyramid with broad base.

24 to 30 in.-----	\$ 2.50	30 to 36 in.-----	\$ 3.50
3 to 4 ft.-----	5.00	4 to 5 ft.-----	7.00
5 to 6 ft.-----	10.00	6 to 7 ft.-----	12.00
Large specimen Cedars	-----\$15.00 to 50.00

EVERGREENS—Continued

CEDARS—JUNIPERS—Continued

Savin's Juniper (*Juniperus sabina*). 4 ft. A thickly branched, low-spreading shrub form. Quite hardy and very desirable wherever a low type evergreen is wanted. A native of Alpine mountain regions and thrives well under Minnesota conditions. Stands city atmospheric conditions and is a most useful and desirable dwarf evergreen.

12 to 18 in. spread.....	\$2.00
18 to 24 in. spread.....	3.50
24 to 30 in. spread.....	4.50
30 to 36 in. spread.....	5.00
Large, mature plants	\$7.50 to 20.00

Silver Cedar (*Juniper scopulorum*). 15 ft. A trim, pyramidal-type Juniper with light, blue-green foliage. Very hardy, more compact than the Red Cedar. Can be closely sheared.

2 to 3 ft.....	\$4.50	3 to 4 ft.....	\$6.00
4 to 5 ft.....			8.00

FIR

Douglas Fir (*Pseudotsuga douglasii*). 40 ft. The large bluish-green needles are soft and fragrant. A dependable and handsome large-growing tree of conical shape.

2 to 3 ft.....	\$4.00	3 to 4 ft.....	\$5.00
4 to 5 ft.....	8.50	5 to 6 ft.....	12.00

PINES

Austrian Pine (*Pinus nigra*). 60 ft. A decorative, vigorous and tall-growing tree. Long, slender dark-green needles.

2 to 3 ft.....	\$4.00	3 to 4 ft.....	\$ 5.50
4 to 5 ft.....	8.50	5 to 6 ft.....	12.50

Dwarf Mugho Pine (*Pinus mughus*). 4 ft. Very popular compact and dwarf-growing evergreen. Unexcelled for planting about the foundation lines or in front of taller evergreens.

12 to 18 in. spread.....	\$2.00
18 to 24 in. spread.....	3.00
24 to 30 in. spread.....	4.25

A Red Cedar with Arborvitae, Savin Junipers and dwarf Mugho Pine make up this attractive planting.

PINES—Continued

Mountain Pine (*Pinus montana*). Taller and more open growing than the Mugho pine. Desirable as a lawn specimen or in the foreground of taller varieties.

2 to 3 ft.....	\$4.25	3 to 4 ft.....	\$6.00
----------------	--------	----------------	--------

Scotch Pine (*Pinus sylvestris*). 60 ft. A hardy, tall pine of picturesque growth. Very suitable for background and wind-break plantings.

2 to 3 ft.....	\$3.00	3 to 4 ft.....	\$4.00
----------------	--------	----------------	--------

EVERGREENS FOR HOUSE FOUNDATION GROUPS

You will enjoy the fresh, green, all-year-attractiveness of hardy Evergreens when planted about your house foundation. We will be glad to help you make selections.

3 SPECIAL EVERGREEN GROUPS

These plans show practical and pleasing arrangements of some of the hardier and most ornamental Evergreens. They will add permanent beauty to your home yard. The trees are all "first quality" and the special prices make the collections real bargains.

- 1 Colorado Spruce, 2 to 3 ft.
- 2 Mugho Pines, 20 in. spread
- 3 CHOICE EVERGREENS
- (Trees 9 to 10 years old)

SPECIAL
GROUP PRICE... **\$8.00**

EVERGREENS—Continued

SPRUCE—PICEA

Black Hills Spruce (*Picea canadensis albertiana*). 30 ft. A native of the Black Hills and the hardiest of all spruces. The growth is a rounded sturdy and compact pyramid with branches low to the ground. Foliage is a bright fresh green. Stands dry soils and open exposures and is always an ornamental specimen.

24 to 30 in.-----	\$2.50	30 to 36 in.-----	\$ 3.25
3 to 4 ft.-----	4.50	4 to 5 ft.-----	6.50
5 to 6 ft.-----			10.00

Blue Spruce (*Picea pungens glauca*). 35 ft. The most admired of all evergreens because of its luxuriant, rich, silvery-blue needles. Outstanding as a lawn specimen. Our Blue Spruce trees have an unusually bright color and are full branched and solid specimens.

2 to 2½ ft.-----	\$ 6.00	2½ to 3 ft.-----	\$ 7.00
3 to 4 ft.-----	10.00	4 to 5 ft.-----	15.00
5 to 6 ft.-----	22.50	6 to 7 ft.-----	30.00
Large specimen trees			\$35.00 to 50.00

Colorado Spruce (*Picea pungens*). 35 ft. An attractive, hardy spruce of even full-branched growth. Similar to the Blue Spruce but with less blue color. Grows easily in most any situation and makes a shapely, sturdy tree. Splendid for a "living Christmas tree" on the lawn.

3 to 4 ft.-----	\$ 6.00	4 to 5 ft.-----	\$ 9.00
5 to 6 ft.-----	17.00	6 to 7 ft.-----	22.00
Large specimen trees			\$30.00 to 50.00

Norway Spruce (*Picea excelsa*). 40 ft. Rapid growing evergreen of open, graceful outline. Heavy masses of deep-green foliage; wide-spreading and drooping. Makes a tall, picturesque and hardy tree.

2 to 3 ft.-----	\$3.25	3 to 4 ft.-----	\$ 4.00
4 to 5 ft.-----	6.00	5 to 6 ft.-----	10.00

White Spruce (*Picea canadensis*). 50 ft. A hardy, native tree of upright compact growth. The foliage is a light blue green. A native of northern America it is thoroughly hardy, free growing and thrives in a moist or dry location.

18 to 24 in.-----	\$ 2.50	2 to 3 ft.-----	\$ 3.50
3 to 4 ft.-----	4.50	4 to 5 ft.-----	7.50
5 to 6 ft.-----	10.00	6 to 7 ft.-----	15.00
Large White Spruce			\$20.00 to 50.00

Blue and Norway Spruces, Arborvitae and Pfitzer's Juniper make up this evergreen lawn group. Grounds of Mr. E. G. Riedel

YEWS—TAXUS

Yew, Japanese (*Taxus cuspidata*). 5 ft. A very ornamental, medium-size Evergreen with clean, waxy, dark-green leaves. Grows close, upright and compact. The fruit is a red berry.

12 to 18 in.-----	\$4.50	18 to 24 in.-----	\$ 7.00
Selected, large specimens			10.00

Yew, Dwarf Japanese (*Taxus cuspidata nana*). 2½ ft. A dwarf and very compact Yew with rich, dark-green foliage.

10 to 12 in.-----	\$3.50
-------------------	--------

For Healthy Trees, Shrubs and Flowers Feed Your Plants—Use Fertilizer

Vigorously-growing, luxuriant plants are always a joy and pleasure. Encourage this full, healthy development by providing extra plant food. "LOMA," the perfect fertilizer for trees, lawn and garden is described on page 23.

A ROCK GARDEN WILL ADD NEW INTEREST TO YOUR YARD

You Can Quite Easily Build and Plant This Modern Gardening Feature

A rock garden, with which very often a pool is combined, requires only a moderate amount of space and so can be built in even the smallest yard. On a slope a rockery fits in exceedingly well, yet it can be built quite successfully on a level area.

A detail of the rock and water garden. Grounds of Mr. P. J. Noonan, Alexandria.

To help you build and plant your rockery we have prepared a special booklet—

"Building the Home Yard Rock Garden"

A copy will be mailed to you on request—without charge.

Hardy Perennial Plants—the varieties best suited to Rock Garden uses are marked with a * and described on pages 14 to 19 in this catalog.

Here is a Specially Priced Collection of HARDY ROCK GARDEN PERENNIALS

A careful selection of 15 choice plants—3 each of 5 of the best rock-garden varieties.

Special Collection Price—15 Plants-----\$3.00

(Please state if for sun or shade.)

SHADE AND ORNAMENTAL TREES—Continued

ELMS

American Elm

8 to 10 ft.	\$1.75
10 to 12 ft.	3.00

Elm, American (*Ulmus americana*). Unquestionably the most popular tree in America for shade, street and lawn planting. It is tough grained and fast growing which places it at the head of the "permanent" class of ornamental trees. Very hardy.

6 to 8 ft.	\$1.00	8 to 10 ft.	\$1.50
10 to 12 ft.	2.50		
2 in. diam.	3.00		
2½ in. diam.	4.00		
3 in. diam.	6.00		

Elm, Chinese (*Ulmus pumila*). A new and beautiful lawn tree from Asia. Small, refined leaves. Quick growing. Very hardy.

6 to 8 ft.	\$1.00
2 in. diam.	4.00
2½ in. diam.	6.00

HORSECHESNUT (Buckeye) (*Aesculus hippocastanum*). 40 ft. Five-fingered leaves. Covered in May with white flowers that stand up like candles. A most unusual and desirable lawn tree.

6 to 8 ft.	\$4.00	1½ to 2 in. diam.	\$ 6.00
2 to 2½ in. diam.	8.00	2½ to 3 in. diam.	10.00

LINDEN—BASSWOOD

Linden, American (Basswood) (*Tilia americana*). 70 ft. Broad, heart-shaped leaves; fragrant white flowers. Quite hardy, native, fine for lawn or street planting.

6 to 8 ft.	\$1.25	8 to 10 ft.	\$2.00
10 to 12 ft.	2.75	2 in. diam.	3.50
2½ in. diam.	4.75	3 in. diam.	6.50

Larger specimen Lindens priced on request.

PLUM, Purple Leaf. 10 ft. Dark purple leaves all summer. Attractive lawn specimen, or to give color to shrub groups.

3 to 4 ft.	\$0.75	4 to 5 ft.	\$1.25
5 to 6 ft.			1.50

MAPLES

Maple, Norway (*Acer platanoides*). 50 ft. Handsome tree; rounded head; broad, dark green leaves. The leaves stay green late in the fall turning yellow at last. A splendid lawn tree.

6 to 8 ft.	\$2.25	8 to 10 ft.	\$3.50
10 to 12 ft.	4.50	2 in. diam.	6.00
2½ to 3 in. diam.			7.50

Larger Norway Maples priced on request.

Maple, Purple Leaf (*Acer platanoides* Schwedler). Leaves are bright reddish-purple in spring toning to a deep purplish-green later. Highly prized for lawn planting.

6 to 8 ft.	\$3.00	8 to 10 ft.	\$4.50
10 to 12 ft.	6.00	2 in. diam.	10.00
2½ in. diam.			12.50

Maple, Silver (*Acer dasycarpum*). 60 ft. Foliage light green, silvery beneath. Rapid growing. Succeeds anywhere.

6 to 8 ft.	\$1.00	8 to 10 ft.	\$1.25
10 to 12 ft.	2.50		
2 in. diam.	3.00		
2½ in. diam.	4.00		

Maple, Sugar (*Acer saccharum*). 70 ft. A symmetrical tree of great beauty. Hardy native. Deeply lobed, dark green leaves. Brilliant fall colors. Fine for streets, lawn and parks.

6 to 8 ft.	\$2.00	8 to 10 ft.	\$3.25
10 to 12 ft.	4.50		
2 to 2½ in. diam.	6.75		

Maple Tatarian (*Acer tataricum* Ginnala). 15 ft. A splendid lawn ornamental. Beautiful red fall color.

3 to 4 ft.	\$0.75	4 to 5 ft.	\$1.00
------------	--------	------------	--------

Norway Maple

PHONE—MINNEAPOLIS—MIDWAY 2772

MOUNTAIN ASH (*Sorbus aucuparia*). 30 ft. White flowers in May followed by bright orange-red berries, which hang on for months. Very ornamental. Used as a specimen on the lawn or as an accent in the border.

6 to 8 ft.	\$1.50	8 to 10 ft.	\$2.25
10 to 12 ft.	3.00	2 in. diam.	4.00

POPLARS

Poplar, Bolleana (*Populus bolleana*). 40 ft. Upright, columnar growth. Glossy, green leaves with downy white undersides. Makes a strong vertical accent.

6 to 8 ft.	\$1.25	8 to 10 ft.	\$2.00
10 to 12 ft.	2.75		
2 to 2½ in. diam.	4.00		
2½ to 3 in. diam.	5.00		
3 to 3½ in. diam.	6.00		

Larger Bolleana Poplars priced on request.

Weeping Birch

Poplar, Carolina—Norway Variety (*Populus eugenei*). 50 ft. Quick growth. Dense foliage. Grows anywhere.

6 to 8 ft.	\$1.00	8 to 10 ft.	\$1.25
Large sizes			\$3.00 to 10.00

Poplar, Lombardy (*Populus fastigiata*). 40 ft. Erect and pyramidal in form. Planted for landscape effect, as an accent or for screening purposes. Grows quickly.

6 to 8 ft.	\$1.00	8 to 10 ft.	\$1.50
10 to 12 ft.	2.50		

WALNUT, Black (*Juglans nigra*). A native nut bearing tree.

6 to 8 ft.	\$2.00
------------	--------

WILLOWS

Willow, Golden (*Salix vitellina aurea*). 35 ft. Rapidly growing with branches of rich golden yellow. Very hardy.

6 to 8 ft.	\$1.50	8 to 10 ft.	\$2.25
------------	--------	-------------	--------

Willow, Laurelleaf (*Salix pentandra*). 30 ft. Glossy green leaves. Grows rapidly.

6 to 8 ft.	\$1.50	8 to 10 ft.	\$2.25
------------	--------	-------------	--------

Willow, Niobe Weeping. 30 ft. Golden bark and graceful weeping branches that sweep the ground.

6 to 8 ft.	\$2.00	8 to 10 ft.	\$2.75
------------	--------	-------------	--------

Willow, Wisconsin Weeping. 30 ft. The hardiest of the weeping willows. Very desirable for a quick growing, ornamental lawn specimen. Dark colored bark.

6 to 8 ft.	\$2.00	8 to 10 ft.	\$2.75
------------	--------	-------------	--------

New Double-Flowering RUGOSA ROSES

Dependable and Hardy All Through the North

THE new Rugosa Roses are full and double, sweetly fragrant and the flowers appear abundantly and almost continuously from June until October. The plants are hardy and survive without special winter covering.

We offer strong, dormant plants that will bloom this year.

Amelia Gravereaux. Double, fragrant flowers of bright cerise red. Price, strong plants, 75 cts.; extra size, 90 cts.

Belle Poitvine. Clusters of double, magenta-pink roses over a long season. Price, strong plants, 75 cts.; extra size, 90 cts.

Dr. Eckener (New). Large semi-double flowers of salmon-pink with gold at base of petals. A new and unusual rugosa hybrid. Price, \$1.25 each.

F. J. Grootendorst. Full clusters of smaller, bright-crimson roses. Always in bloom. Price, strong plants, 75 cts.; extra size, \$1.00.

Hansa. Double, fragrant, wine-red flowers. Handsome dark green foliage. Sturdy growth and long season of bloom. Price, 70 cts.; extra size, 90 cts.

Hugonis. An early-flowering shrub rose with sprays of light yellow roses along the graceful branches. Strong plants, 75 cts.

Rugosa Rubra. The original type from Japan. Crinkled leaves. Large, purple-red single flowers with yellow center. Price, 60 cts.; extra size, 75 cts.

Sarah Van Fleet (New). Semi-double, soft, rose-pink flowers. Continuous in bloom. Price, 75 cts.; extra size, \$1.00.

Sir Thos. Lipton. A free-blooming, fragrant double white. Price, 75 cts.; extra size, \$1.00.

Clusters of red flowers all season on the hardy Grootendorst Rugosa Rose.

BABY RAMBLER ROSES

(Dwarf Polyantha)

The Baby Ramblers are small size bushes; very popular because of their dwarf size and heavy flowering.

The roses are borne in thick clusters and are in bloom continuously throughout the summer.

Pink Baby Rambler. (Ellen Poulson.) Clusters of deep, brilliant pink. Quite fragrant. Potted, growing plants, \$1.00 each.

Red Baby Rambler. (Miss Edith Cavell.) Heavy open clusters of crimson-scarlet roses. Potted, growing plants, \$1.00 each.

HARDY SHRUBBERY ROSES

A group of hardy roses that are useful as shrubs in borders, on banks and in naturalistic plantings.

Blanda. Soft pink flowers on thornless stems 3 to 4 ft. high. Red fruit in fall. Price, strong plants, 60 cts.; extra size 75 cts.

Harrison's Yellow. The best hardy yellow-flowering bush rose. Semi-double golden yellow. Price, strong plants, 75 cts.

Rubrifolia. Pink flowers. Reddish-purple leaves all summer. Price, strong plants, 60 cts.; extra size, 75 cts.

Sweet Briar, Rubiginosa. The old favorite Sweet Briar fragrant pink rose with aromatic leaves. Price, strong plants, 75 cts.

CLIMBING ROSES For House Wall and Garden Trellis

H. & O. SPECIALLY PREPARED POTTED PLANTS

PLANT Climbing Roses near the porch or on the house walls to have their fragrance and color close at hand. Use them in the garden also to decorate lattices, arbors or pergolas and as festoons over walls.

NEW DAWN. (New, Plant Patent.) Everblooming, large exquisite flowers of delicate pink on long stems. Fragrant blossoms; bronze-green foliage. Price, potted plants, \$1.70.

Climbing Roses for the garden trellis

USE H. & O. "HIGH-TEST" GRASS SEED

The Best Seed for a Perfect Lawn

GOOD lawns logically follow the use of clean, pure seed of high germination test when properly sown and cared for. H. & O. High Test seed is dependably good—the best in quality we can secure and is the result of our experience of years in the actual making of lawns.

In our seed mixtures you will not find any cheap annual or short-lived grasses such as timothy. These undesirable annuals are often used to make mixtures that can be sold at a low price and the purchaser, who has spent much valuable time and labor in preparing his ground, learns too late that cheap seed can only mean a temporary, unsatisfactory lawn. Use the best seed obtainable and enjoy the proper results from your work and efforts.

AMOUNT TO SOW—Allow one pound of seed to every 200 square feet of new lawn area. For re-seeding on old lawns one pound of seed to 400 square feet will be sufficient.

Prices are given for seed packed and ready to ship. Please add 6c per lb. for parcel post if shipment of seed by mail is wanted.

VELVET SOD SEED

An unequalled mixture for a beautiful lawn. Velvet Sod Lawn Seed is a careful mixture of permanent fine-bladed and rich green grasses that will produce a smooth, velvety sod. It is specially prepared to meet the climatic conditions of our northern states. Its high weight of 27 lbs. per bushel clearly indicates its purity and freeness from chaff and adulteration. We use this seed on our own gardening contracts and recommend it highly.

1 lb. 50c; 5 lbs. \$2.25; 10 lbs. \$4.25; 20 lbs. \$8.00

SHADY-SIDE SEED

A lawn can be made in areas of semi-shade or shade during part of the day when grasses suited to such conditions are used. Where ordinary grasses will not grow we suggest sowing this special "shady-side" mixture which contains varieties naturally tolerant to shade. (Extra attention to fertilizing and watering is very important under these conditions and a light re-seeding in the spring helps maintain the sod.)

1 lb. 60c; 5 lbs. \$2.50; 10 lbs. \$4.75; 20 lbs. \$9.00.

TERRACE SEED

On a slope the usual lawn mixtures are disappointing. For terraces we suggest this special mixture of spreading, deep rooting grasses that are resistant to drought and will thrive under unfavorable conditions.

1 lb. 60 cts.; 5 lbs. \$2.50; 10 lbs. \$4.75; 20 lbs. \$9.00.

"Velvet Sod" Seed makes a lawn of lasting beauty

Sow "Velvet Sod"—the best grass seed.

H. & O. EXTRA RECLEANED GRASS SEED WHITE CLOVER

The best imported white Dutch clover with small leaves and dense growth. Very often sown with other grasses, particularly in a new lawn, where it helps cover the ground, thicken the sod and so tends to crowd out weeds.

½ lb. 40c; 1 lb. 70c; 5 lbs. \$3.00; 10 lbs. \$5.50.

KENTUCKY BLUE GRASS

A beautiful grass that should be the main constituent of every good lawn here in the north. It is sometimes used alone but as it develops slowly it becomes better established if sown in a mixture. Our seed is a very choice grade of carefully re-cleaned, extra heavy seed with an average weight of 21 lbs. per bushel.

1 lb. 50c; 5 lbs. \$2.25; 10 lbs. \$4.25; 20 lbs. \$8.00

RED TOP GRASS

Red Top is a fine-leaved grass that germinates and develops very quickly. It is of particular value in getting a new sod established. For a permanent lawn it should not be sown alone but with Blue Grass in a mixture.

1 lb. 40c; 5 lbs. \$1.50; 10 lbs. \$2.75; 20 lbs. \$5.00.

CREEPING BENT GRASS

Sea Side Bent—a true, unmixed creeping bent seed. It produces a thick, low and close-growing turf for lawns and golf greens. (Creeping Bent sod requires often and close cutting and special attention in fertilizing.)

1 lb. \$1.60; 5 lbs. \$7.75; 10 lbs. \$15.00; 20 lbs. \$29.40.

ASK FOR OUR HELPFUL BOOKLET HOW TO MAKE and MAINTAIN A LAWN

It gives practical information on the construction, seeding, fertilizing and care of a lawn.

Mailed on request—without charge.

Your inquiries are invited on matters of lawn-making, seed and fertilizer. We have a special service for golf clubs and park properties.

SELECTED PEAT MOSS

A Humus to Improve Soils
Benefits both Sandy and Clay Soils

A wonderful top-dressing for lawns and a splendid mulch to work around trees, evergreens, roses and shrubs.

Price—per bag (about 3 bu.), 90 cts.; 2 bags, \$1.50;
3 bags, \$2.00

(1 bag covers 100 sq. ft. to depth of ½ inch.)

"High-Test" FERTILIZERS

for } Better Grass, Flowers and Vegetables
Healthy Trees and Shrubs

(Note—Always water the lawn thoroughly and immediately after spreading fertilizers.)

BONE MEAL. A selected, finely-ground meal of animal bone that contains valuable nitrogen and phosphoric acid plant food. A safe and excellent fertilizer for peonies, roses and all garden plants. Our Bone Meal has been slightly steamed to soften it and to hasten its fertilizing action.

10 lbs., 65 cts.; 25 lbs., \$1.10; 50 lbs., \$1.75; 100 lbs., \$2.75.

MELO-GROND. A balanced mixture of SHEEP MANURE and BONE MEAL (far superior to straight Sheep Manure). A natural, organic plant food that will stimulate the growth of all plants. For lawns use 50 lbs. per 1,000 sq. ft. and water well. Inexpensive and efficient.

50 lb. bag, \$1.75; 100 lb. bag, \$2.75.

VIGORO. A prepared plant food for lawns, vegetable and flower gardens. Directions on package. Allow 40 lbs. per 1,000 sq. ft. for lawns. Odorless—easy to use.

25 lbs., \$1.50; 50 lbs., \$2.50; 100 lbs., \$4.00.

The PERFECT PLANT FOOD

An ideal fertilizer for new lawns and for restoring old ones.

Beautifies Lawns and Gardens
Free of odor—Easy to handle.

Loma is a concentrated plant food. It produces a luxuriant, healthy growth of foliage and flowers.

For the Lawn. Apply 40 lbs. to each 1,000 sq. ft. of area. Scatter evenly and wet down.

For the Garden. Apply along the rows or around plants according to directions on package.

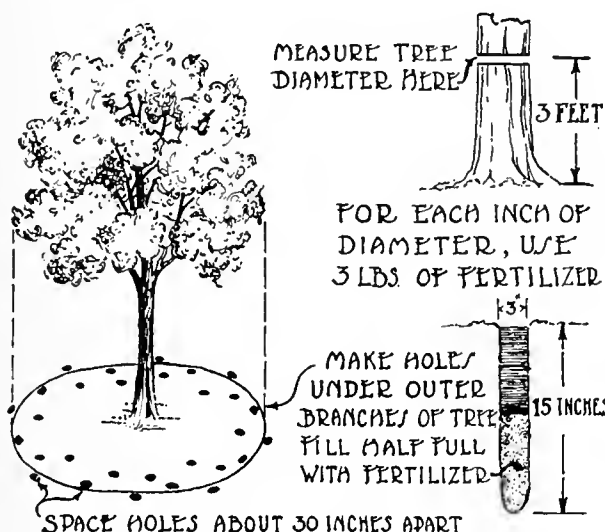

New Low Prices of LOMA

10 lbs., 85 cts.; 25 lbs., \$1.50; 50 lbs., \$2.50; 100 lbs., \$4.00.

SULPHATE OF AMMONIA. A quick-acting plant growth stimulant containing about 25 per cent ammonia. Use sparingly about garden plants to stimulate rapid development. For lawns apply in a solution at rate of 5 lbs. per 1,000 sq. ft. Water down thoroughly. In the garden do not let it touch green growth.

10 lbs., 65 cts.; 25 lbs., \$1.10; 50 lbs., \$1.75; 100 lbs., \$2.75.

FEED YOUR TREES— KEEP THEM HEALTHY

This diagram shows how you can fertilize and feed your trees and shrubs. Note how holes are made in the ground underneath the spread of the branches and filled with fertilizer. This plant food can then directly reach the roots.

Keep your fine, old established trees in healthy growth and preserve their beauty by proper fertilizing. When a tree is in vigorous growth it is less subject to insect and disease attacks.

For tree and shrub fertilizing we use and recommend "LOMA"—The Perfect Plant Food. It is economical and efficient.

YOUR FINE OLD TREES ARE INVALUABLE— TIMELY CARE WILL PRESERVE THEIR GROWTH AND BEAUTY

Tree Surgery—The modern science of tree-care should be practiced yearly rather than as an emergency treatment after serious damage has occurred. Storm breakage and tree-decay are usually the direct result of neglect.

Spraying, Fertilizing, Trimming and Cavity Repair are some of the measures that, when intelligently applied, will keep your trees healthy and in their full beauty.

Consult Us For Practical Tree-Care

We offer a dependable and experienced service, with full modern equipment, to help you in the care, repair and preservation of your trees. This service is available for home-owners and for parks, golf courses and public properties. The charges are moderate.

Surveys and careful cost estimates will be made.

DELICIOUS FRUITS

For the Home Garden

FRUITS ARE EASY TO GROW. KNOW THE DELIGHT
OF EATING FRUIT FRESH FROM
YOUR OWN GARDEN

HARDY APPLES

Price—Strong Trees, 4½ to 6 feet, \$1.00 each.

- Anoka.** Large yellow, red-striped fruit in August. Bears early—often has fruit second year after planting.
- Duchess.** Yellow with red stripes. Ripens early.
- Haralson.** Deep red winter apple. Fine quality. \$1.25 each.
- Northwestern Greening.** Large fruit of pale green.
- Wealthy.** Big red fruits in abundance.
- Yellow Transparent.** An early table fruit.

HARDY CRAB APPLES

Price—Strong Trees, 4½ to 6 feet, \$1.00 each.

- Early Strawberry.** An early, red-striped fruit.
- Whitney.** An early, large, red fruit. Crisp, pleasing flavor.
- Dolgo.** Good flavored, highly ornamental bright red fruit. Makes excellent jelly. \$1.25.

HARDY PLUMS

The best from the Minnesota State Fruit-breeding farm.

Price—Strong Trees, 4½ to 6 feet, \$1.00 each.

- LaCrescent.** Our best quality yellow plum.
- Monitor.** Large, dark red clingstone. Late.
- Superior.** (New introduction.) Large, conic-shaped, deep red, juicy fruit. Small pit.
- Tonka.** Semi-freestone, red fruit. Midseason.
- Underwood.** Early ripening freestone. Red.

CHERRY-PLUMS

Price—Strong Trees, \$1.00 each.

- Zumbra.** Large dark red fruit with small pit. Ripens in August. Often bears second year after planting.

CHERRIES

Price—Strong Trees, \$1.00 each.

- Wragg.** Heavy bearer of dark red, meaty fruit.

GRAPES

Price—Strong Plants, 40 cts. each; \$3.50 per 10.

- Beta.** Very hardy black grape, sprightly flavor. Each 50 cts.
- Concord.** The large, black grape. Always popular.
- Pocklington.** An early, sweet white grape.

RASPBERRIES

Price—\$1.00 for 12; \$5.00 per 100.

- Chief.** The new Minnesota introduction. Early and heavy crops of firm, large, red berries. Very hardy.
- Latham.** Large red berries in abundance. Later than Chief.
- Older.** A juicy and sweet black raspberry. 10 for \$1.00.

CURRANTS

Price—Strong 2-year Plants, 50 cts.; \$4.50 per 10.

- Perfection.** Heavy clusters of very large, red fruit.
- Red Lake.** New Minnesota currant. Erect bush. Large red fruit in heavy clusters.

GOOSEBERRIES

Price—Strong 2-year Plants, 40 cts.; \$3.50 per 10.

- Como.** Large, full berries that keep their green color even when ripe. A new, improved Minnesota fruit.

STRAWBERRIES

- Senator Dunlap.** June-bearing. Large crops of big, deep red berries. Price—Strong Plants, 30 cts. dozen; \$2.00 per 100.
- Mastodon.** Everbearing (New). Largest berries of any variety. Price—Strong Plants, 50 cts. dozen; \$3.50 per 100.

ASPARAGUS

- Washington Rust Proof.** An excellent green asparagus. Price—Strong Roots, 40 cts. dozen; \$3.00 per 100.

RHUBARB OR PIE PLANT

- Strawberry.** Early and tender. 20 cts each; dozen \$2.00.
- McDonald (New).** Highly colored red stalk, very succulent and tender. Each 75 cts.
